## Editorial

Enthusiasm is an intangible but highly important asset of our business. Like justice, it is something that cannot be seen, but can be very strongly felt!

We're enthusiastic about our business—everyone of us from the writer down to the smallest employee. We don't like half-hearted, dispirited methods, and we'll not tolerate them in ourselves or our co-workers.

We never stopped to analyze this until it was called to our attention recently by a patron who had noticed and appreciated it!
